

Hancock Elementary School

“Rooted in Community, Reaching for the Stars”

April 8, 2018

Our first **Family Voice Team** meeting took place on March 29th. The goal of the first meeting was to define family engagement as well as understand the connection between family school partnerships and student learning. We often think of family engagement as it relates to fundraising for PTO. Family Voice is asking that we broaden our definition of engagement to ensure that families are engaged in problem solving and decision making within a school. In doing so, children see that we value learning and work as a team. Our next meeting on Monday, April 16th will focus on learning activities and events that build engagement. If you are interested in joining the team, please contact me ajanoch@conval.edu. If you haven't already done so, please complete the Family Voice Parent survey.

Please join us for **Math Night on Monday, April 9th from 6 PM to 7 PM** at Greenfield Elementary School. Through the Daniels Trust and GES PTO funds, we were able to invite Greg Tang to ConVal to teach us fun and energizing math games that families can play at home.

HES PTO is hosting a **Family Dance Party on Saturday, April 14th** from 6 PM to 8 PM. The dance party will take place in the Hancock Community Center, in the church basement. Tickets are \$10 per family or \$3 per person. Friends and family are welcome. Come dance the night away with DJ Doug (Sutherland)!

We are excited to welcome back Lisa Cook and Jeanine Edmunds for our **NHDI residency the week of April 16th**. HES students will perform for family and friends on Friday, April 20th at 5:30.

Our special this week is **Art**.

Upcoming Events

Monday, April 9

Saturday, April 14

Thursday, April 19

Friday, April 20

April 23 – April 27

Math Night with Greg Tang 6 PM at Greenfield Elementary
