

# Hancock Elementary School

*"Rooted in Community, Reaching for the Stars"*

The staff at HES thank all of the families for their show of appreciation last week. Between flowers, sweets, and down time, we all felt quite spoiled. We are so fortunate to have such a supportive community to work with.

Thank you to the PTO for their commitment to HES. The annual Kiwanis Yard Sale yielded \$500 for our students. A special thank you to Karie Mason, Michele Spinale, and Carrie White for manning the tent for the day. I also want to thank the Theberges for their donations.

Our HES students were definitely buzzing with energy last week during the NHD residency. The Friday performance was well attended - thank you all. Your children benefit from your ongoing support.

This week the children will continue preparing for the **Spring Concert** with Ms.

Pineau. Students will showcase their singing and recorder playing on **Friday, May 17th at 11:00 AM**. Please join us in the multipurpose room for this wonderful event.

**Children and the Arts is Saturday, May 18th.** Hancock Elementary students are invited to march in the 12pm parade. Please meet at the PES parking lot at 11:45. Look for the Hancock Banner and line your children up with HES staff! Staff and children will walk down High St., Main St. and Grove St. sharing their beautiful stars and waving to the crowd. Parents then collect their children in Putnam Park. Please be aware that we will not release students unless an adult is in the park to collect him/her.

The **PTO meeting** scheduled for this week has been changed to **Wednesday, May 22nd at 6PM**. This will be our last PTO meeting of the year. Our new school board representative, Tim Theberge will be in attendance to discuss board topics. I will share the results of the Parent Survey, look for clarity regarding the data, and work with participants to make improvements to our communication.

Finally, be sure to return your child's permission slip for **Field Day, Friday, May 31st!**

Have a wonderful week.
