

Hancock Elementary School

“Rooted in Community, Reaching for the Stars”

It was wonderful to see so many parents and children at the deliberative session on Tuesday. I was impressed by the questions that children asked during the meeting!

A big thank you to Susie Spikol for organizing **Nature Lunch Bunches** for our students. Susie, Megan Dodge, Carrie White, and Julie Brown took thirteen students out snowshoeing for recess. The children loved every minute of the adventure! Susie will be back in two weeks to snowshoe with a new group of students.

Again, I would like to extend an invitation to any parent who is interested in participating on our **Leadership Team**. The purpose of the Leadership team is to continuously review our educational program, identify strengths and needs, set goals, and review progress toward goals. The team is made up of principal, teachers, paraprofessionals, support staff, and parents. We believe that children thrive in an environment that cultivates collaborative relationship between parents, educators, and principals. We meet on the **first Monday of the month at 3:45 PM**. If you are interested in being a part of the Leadership Team, please email me.

Be sure to check your child's backpack for the second quarter **report cards** and **midyear assessment results**. Each document offers a detail in the story of your child's performance in school. Use the information to determine if the details, when put together, match what you hope for your child's social and academic learning. If needed, connect with your child's teacher to better understand the details and "main idea!"

Our special next week is **Music**.

Upcoming Events

Wednesday, February 14

Thursday, February 15

Friday, March 16

February 26 – March 2

Valentine's Day

PTO Meeting 6 PM in Conference Room

Movie Night - Hancock Library

Winter Recess

Have a wonderful week!
