"Rooted in Community, Reaching for the Stars"

Boy, we have hit the ground running in 2020. Between preparing for Martin Luther King Day, NHDH and organizing for the Community Supper we are feeling the energy in the school!

NHDH starts on Monday, January 13th. The theme this year is "Reach your Peak!" Each grade will work with the NHDH teacher to learn a dance. On **Friday, January 17th at 5:30 pm** the students will **perform** their dance with the community. Please join us for this wonderful and energizing event.

The students at HES have been working with teachers and Doug Sutherland to prepare for **MLK day**. In the spirit of Martin Luther King Jr. the students have been discussing the Power of Our Words. Doug has video recorded a number of students talking about how some words build us up and make us feel good while other words hurt. Other students have written essays about the power of words. The recordings and writings will be shared at the Hancock MLK celebration.

Thank you for your contributions for the Hancock Community Supper. I so appreciate your generosity. There are still a few **food items needed** for the meal. We also need **additional stews or soups** as an alternative to the chili. Please join us for the **Hancock Community Supper on Thursday, January 23rd from 5:30 to 7:00 pm**. It is a wonderful opportunity for the children to show their support and appreciation for everything that the community does for us.

There is **no school on Monday, January 20th**.
